Master of Advanced Studies in Higher Education (MASHE)

THE BENEFITS OF THIS GRADUATE DEGREE

The MASHE program focuses on the practical knowledge, critical thinking, research, and other skills relevant to leaders in today's colleges and universities. Whether your interests are in administration, teaching, student development, or other areas within higher education, you will have the opportunity to work closely with your professors and other students who share your interests.

This program enables you to maximize your career choices and strengthen your knowledge and skills as a practitioner of higher education. This program reflects our commitment to promoting community and business service, personal growth, conducting research and evidence based training opportunities for students. Graduates of this program are prepared to become outstanding leaders and to lead their organization to greater effectiveness and success.

Impossible is nothing, Leadership is learnable

You can become an outstanding Leader
