Master of Advanced Studies in Leadership and Administration of Higher Education (MASLAHE)

THE BENEFITS OF THIS GRADUATE DEGREE

Effective leadership is essential to the success of any endeavor in both the public and private sectors.

Universities and colleges need valuable leaders who can identify, promote, and accomplish institutional goals and objectives. In this context, MASLAHE students will have the opportunity to gain the most recent knowledge from the leadership and administration in higher education, incorporated in this program, and become more aware of their own strengths, attitudes, and behaviors, and the effects they have on others as leaders.

Graduates of this program are prepared to become outstanding leaders and to lead their organization to greater effectiveness and success.

Impossible is nothing, Leadership is learnable

You can become an outstanding Leader
