Master of Advanced Studies in Leadership and International Sports Law (MASLISL)

THE BENEFITS OF THIS GRADUATE DEGREE

Effective leadership is essential to the success of any endeavor in both the public and private sectors. Sports clubs and sport institutions need valuable leaders, who have a deep knowledge concerning leadership and sports legal issues and are able to support the institutions towards accomplishing their goals and objectives. In this context, MASLISL students will have the opportunity to gain the most recent knowledge from the leadership and international sports law, incorporated in this program, and become more aware of their own strengths, attitudes, and behaviors, and the effects they have on others as leaders.

Graduates of this program are prepared to become outstanding leaders and to lead their organization or sport club to greater effectiveness and success.

Impossible is nothing, Leadership is learnable

You can become an outstanding Leader
